

# **CIMINELLI REAL ESTATE CORPORATION PROVIDES CONSTRUCTION UPDATE ON 201 ELLICOTT PROJECT**

## **Summer 2020**

Buffalo, NY—Today Ciminelli Real Estate Corporation (CREC), announced a construction progress report on its 201 Ellicott project. Regular updates will be released as the project moves forward. The project is located in downtown Buffalo at the corners of Ellicott, Clinton and Oak Streets.

To date, work on the residential building continues with metal joists & decking, concrete slab pours, cold-formed metal framing, masonry and exterior sheathing as the project progresses toward the completion of 5 stories along Ellicott Street and 7 stories along Oak Street. Construction work on Braymiller Market has begun with the erection of structural steel underway and set to be completed by early September. As previously announced, Braymiller Market will be completed in the Spring of 2021, and the residential portion, consisting of 201 affordable apartments, will be completed in early Summer of 2021.

For additional project detail visit [www.201ellicott.com](http://www.201ellicott.com). 201 Ellicott project team partners include CannonDesign, Arc Building Partners, C&S Companies, M&T Bank, Evans Bank, Citi, Red Stone Equity Partners, Belmont Housing and GOBike Buffalo.

Headquartered in downtown Buffalo, New York, Ciminelli Real Estate Corporation specializes in providing commercial real estate services including development, property management, asset management, and brokerage services to over 350 international, national, and local clients in Western and Central New York, Florida, Pennsylvania, and Massachusetts, serving a portfolio spanning seven states.
